Have You Noticed Anything New?

There are three new doggie refuse bag distribution kiosks throughout the property, with more to come. Right now you can find them just past Tennismaster on the left going toward the beach, near Harbourmaster heading down the bike path into Residential South, and near Colonnade Club. Please use them to help us in our effort to keep Shipyard in Ship Shape.

And thanks to the Women's Club, there is a new library box near the traffic circle (closest to the Cordillo/Pope exit). Feel free to read, borrow, or bring a book to keep the library going and growing for neighbors and visitors. It was strategically placed close to a bench and scenic lagoon so you can take a break and experience the beauty of springtime while enjoying a book.

We hope you enjoy these new features. Thanks again to the Women's Club, especially Cathy Todd, for bringing the library box idea to fruition. Happy Heritage everyone!

SALLY WARREN, GENERAL MANAGER

Dear Owners,

As we prepare for the 50th anniversary of the Heritage Classic, everyone is scrambling to get maintenance projects completed. We hope to have the balance of our striping done within the next week, and are working on the widening of the pathway between the circle in front of Evian down to Salem Road. Weather permitting, the paving should be completed by next week. In the meantime, please use caution on the path while the work is in process.

The painting of the Beach Club and the walkway area is still in process, and we anticipate that project being completed within two weeks. If you are down at the Beach Club, you will see that the planting beds leading up to the Beach Club door have been redone. The cell tower carrier has recently done work in the circle to unhook the flag which had become lodged on a bolt during the recent heavy winds. The flag is now up and looking majestic in the wind.

Remember to 'get your Plaid on' and enjoy this 50th golf tournament. The first golf tournament played in 1969 put Hilton Head on the map for the rest of the country, and having Arnold Palmer win was just a marketing person's dream come true. Enjoy this beautiful place we call home.

Security Team Update:

In the past few weeks we have all noticed how extremely busy Shipyard Plantation roads have been. There are more bikers, joggers, walkers and fishermen enjoying the property than ever. So, as you are driving about please be mindful of the speed limits posted on the streets and watch out for our seasonal guests.
