

**SALLY WARREN,
GENERAL MANAGER**

If you get an opportunity to go to the beach, please be careful to avoid the construction going on with the beach club roof work. Howe Contractors will be busy replacing the roof panels over the next two weeks; and by the Soup and Stew Showdown, we should have new and improved standing seam roofs for the bath areas and the Beach Club. We will also be doing some work in the beach bathrooms in early February and will keep you abreast by email of the exact timing for some interior work. Also, please use caution as you travel down Kingston Road as resurfacing is being done on Southwind Drive.

The weather is chilly but this time last year we had snow so we are happy to be able to enjoy the outdoors and look forward to an early spring. The date for the Annual Meeting is March 15th so pencil that in on your calendars. We have had a busy year and will have much to report at the meeting.

**LAWRENCE ALEXANDER,
CHIEF OF SECURITY**

January is an incredibly busy time of the year for Security and dispatch with the annual renewal of commercial decals and validating owner decals and beach hang tags. We wanted to make sure that all owners know that decals must be affixed to the outside of the windshield of the automobile on record. Since there are some states that do not permit anything on the windshield or have weather that would make it difficult for a decal to adhere properly, we have created a 90-day laminated pass that you can get at the Welcome Center for authorized entrance if one of these circumstances is a problem for you. This special pass requires management approval. Stop by and let us help make your entrance and decal issues easier.

Meeting
6:30 - 9:00 PM

**February 4,
2019**
Owners Only
3:00 - 9:00 PM

**MEREDITH SIMMONS,
DIRECTOR OF OPERATIONS**

Many thanks to all of you who participated in our online Year in Review social event survey via Survey Monkey. We had a great response, and management conferred with the Communications/Public Relations Committee on the results. We were able to work together and use your feedback to make some new and exciting changes to this year's social calendar. Below is a synopsis of the survey results, as well as any applicable changes to the Beach Club schedule and/or social calendar.

- We asked and you shared. We were delighted to learn that most owners do enjoy the events at the Beach Club, and plan to continue participating as often as possible.
 - Most participants indicated that they would like to alternate between Chili/Chowder and Soup/Stew Cook-offs in efforts to increase variety and attract new chefs. So hopefully we will see you all on Sunday, January 27th from 4-6pm for this year's Soup & Stew Showdown. By the way, we could still use a few more entries. Interested in sharing your culinary talent? Email communications@shipyardhhi.com or call (843) 785-3310, ext. 1001.
 - The majority of survey participants do not want to have a Casino Night this year. Instead, the following suggestions were made for new events (listed in order of highest to lowest percentage): a Kentucky Derby event, Cinco de Mayo party, a Mardi Gras event, or a pet parade.
 - Attendance is down at Nibble & Nips, and the majority of survey participants would like to have less of them. Beginning in March, Nibble & Nips will be held on a quarterly basis and we will plan a special/seasonal theme (based on your recommendations) for each quarter. The Nibble & Nip scheduled for Thursday, February 7th will still be held. The first quarterly one, scheduled for Tuesday, March 5th from 6-8pm, will be a special Mardi Gras event with music and a special New Orleans delicacy courtesy of the POA. Attendees will still need to bring drinks and appetizers (or desserts) to share as in the past. We will strive to host a Kentucky Derby or Cinco de Mayo party next year if Beach Club scheduling permits. Other quarterly Nibble & Nip ideas for this year include: a game night, trivia night, a new owners' social, an outdoor/beach movie, and an oldies dance/night.
 - Owners would like to continue Owners Only days on Mondays, so the schedule will remain as is for now. However, there may be modifications to the hours as necessitated by parking challenges at the Club in tourist season. Please make plans to come out and enjoy the Club on Owners Only days so that we can keep the event going for many years to come.
 - Oktoberfest was a big hit this year, and it seems that the majority wants to try it again this year.
 - We inquired about the types of articles or other information you would like to see in The Anchor, and we learned that nature is definitely on the top of the list. Island and/or Shipyard history was the second most requested topic, and we are happy to report that long-time owner and resident Helen Xenakis has agreed to write a series. There were also requests for island-wide information (i.e. local cook-offs, firework shows, and other outdoor events) and a section on gardening or recipe sharing.
- Again, thanks for sharing your thoughts with us. We will share an updated Beach Club calendar in the upcoming issue of The Anchor, and we look forward to many successful events this year.
