

Important Notice

Please note that the Welcome Center will be **CLOSED** on Saturday May 4th! If you need assistance please go to the dispatch lane.

SALLY WARREN, GENERAL MANAGER

May will be a busy month for maintenance around the property. The bike path widening from Kingston Road to the Parkway Gate will be commencing and should take approximately a week to complete. The Welcome Center parking renovations are also getting underway with the implementation of a truck pull off area and the addition of four new parking spaces. Chief Alexander will be sending out e-blasts regarding the parking lot logistics so stay tuned for updates on which sections of the parking will be closed and when. The new Board of Directors had their first official meeting and established committees to continue the improvements around the property. Thanks to all for their service and their willingness to serve on the board or a POA committee.

On May 1st, the Town of Hilton Head Planning Committee unanimously approved the Shipyard zoning appeal for the entrance parcels to be designated Open Space, Parking and Community Services. We appreciate all their support.
