

In a setting of tall pines, rustic oaks and tropical palms is an experience—Shipyard. Covering approximately 800 acres, Shipyard is conveniently located in the scenic heart of the south end of Hilton Head Island.

If one word could describe Shipyard, it would be diversified. This unusual residential and resort community offers first class living for those who choose to visit and those who choose to reside in this scenic but secure property.

Recreational facilities include championship golf and tennis, trails for biking and jogging, a first class resort hotel, a health spa, and most importantly—the beach. Owners in Shipyard enjoy the finest island Beach Club and a true sense of community through varied social and educational programs available at their oceanfront club.

The best island combination of vacation or villa living and permanent homes, Shipyard is a beautiful alternative whether you desire to come for a while or forever. (843) 785-3310
